

# Idoniko

## Idoniko Tsipouro

Designation: Adriani, Greece

### Distilling:

In Antiquity, the people referred to as the Idonoi or Idones, lived east of the Stymon and north of the Angites River. The region of Adriani is the prefecture of Drama, where the distillery of the Costa Lazaridi estate is situated. Only the noblest varieties of grapes ripened in the sundrenched vineyards are used to make our unique Idoniko Tsipouro. Multiple distillations in copper stills occur to guarantee a high quality product redolent with the special aroma of grapes.

### Characteristics:

A fruity character of the carefully selected grape varieties, over a background of orange-tree blossoms, possibly making it the most genuine grappa. Chilled, without rocks, it warms the feelings.

Serve: Chilled, without rocks.

Alcohol: 40.00%

UPC Code: 200ml: 6-08935-61201-7, 750ml: 6-08935-61701-2

## Idoniko Tsipouro with Anise

Designation: Adriani, Greece

### Distilling:

This distinguished genuine liquor is worthy of its proud name thanks to the innovative technology of the Estate's ultra modern distillery. Multiple distillations are carried out in copper stills to remove all traces of unpleasant substances while protecting the delicate aroma of the spirit at the same time.

### Characteristics:

A fruity character of the carefully selected grape varieties, over a background of orange-tree blossoms, possibly making it the most genuine grappa. Chilled, without rocks, it warms the feelings.

Serve: Chilled, without rocks.

Alcohol: 43.00%

UPC Code: 6-08935-62701-1
