**Grape Variety :** Agiorgitiko

Rhoditis

**Harvest & Winemaking :** High, mountainous vineyards in the Nemea region of Corinthia, in the north east of the Peloponnese (the southern mainland of Greece).

On the north-facing foothills of the Peloponnesian mountains overlooking the Gulf of Corinth near to the city of Patras in southern Greece.

**Characteristics :** The wine is characterized by its fruitiness, unique body, soft tannins and deep red color. The wine is aged in French oak barrels for 6-7 months and then bottle-aged for a further six months. The nice balance of its fruitiness and maturation properties is particularly appealing.

A bright, clear, light straw color with green hues running through the glass. A delicate bouquet of lemon and tropical fruit balanced by wonderful penetrating acidity on the palate. Delicious citrusy lemon flavors abound throughout and the finish is extremely long, very stylish, and delivers a dash of lemon and just a hint of melon at the very end.

**Pairings :** Excellent with red meat and fatty cheeses, but will also accompany a broad selection of main courses due to its character. Serve at room temperature.

A superb accompaniment to fish and seafood dishes of all types. Great with sushi! Best served chilled.

**Alcohol :** 13.0%
