

# KTIMA VOYATZI

*On Polyphytos Lake*

## Dry Red

---

Designation: Velvento, Greece

---

Harvest &  
Winemaking:

Each variety is vinified separately in a "classic" way. After the end of alcoholic and malolactic fermentation, the wines are transferred in oak barrels for a year, during which they are racked and blended according to their evolution.

---

Characteristics:

Dark red color, complex nose, which combines the different characters of the varieties, cask and aging. The palate is soft at first, then structured and rich, fragrant and long lasting.

---

Pairings: Perfect with red meats and rich aromatic sauces.

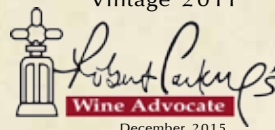

---

Alcohol: 14.0%

---
