

KTIMA VOYATZI

On Polyphytos Lake

Tsapournakos

Designation: Velvento, Greece

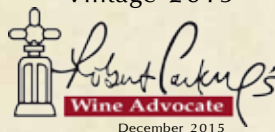

Harvest & Winemaking: Traditional red wine vinification. Following a long maceration of the skins, the young wine is transferred to oak cask, where the malolactic fermentation takes place. It matures in cask for one year and is then bottled and further aged.

Characteristics: Dark red color, distinctive aromatic character, combining floral and fruit notes with spices, smoke and a wealth of alternating impressions. Similarly strong bouquet with body, structure, richness and long aftertaste.

Pairings: Excellent with steak, rich red sauces and game.

Alcohol: 14.5%
