Agiorgitiko, Refosco

Drama

### DESCRIPTION

Mediterranean temperament with the Italian Refosco and the Greek Agiorgitiko joining forces in an explosive combination. Dark red with hues of violet, on the nose it appears complex with notes of wild cherries and forest fruit alternating with aromas of coconut and chocolate. In the mouth its is full and rich with harmonious acidity, firm tannins which will allow for long aging and a strong finish laced with aromas of oak. Enjoy it ideally at 18°C with red meats and rich aromatic sauces.
