

MASTIHA XIOY®
ΨΥΧΗΖ

Chios Mastiha Liqueur

Mastiha is the natural and rare tree resin of the Pistacia lentiscus tree, which is only produced in the southern part of Chios island. It is unforgettable. The Mastiha of Chios, an authentic designation of origin, which keeps its aroma during the distillation, and the traditional recipe produce a unique liqueur worthy of the name.

Chios Psychis Mastiha

Chios mastic (Mastiha), known from the ancient times for its beneficial and therapeutic properties, is the aromatic resin from the trunk and the branches of the mastic tree (*Pistachia Lentiscus* var. *Chia*), which is a bush that can only be found in Southern Chios.
