

KOURTAKI

RETSINA OF

ATTIKI

DESIGNATION: Retsina of Attiki, Greece

HARVEST & WINEMAKING: Traditional appellation, country wine of Attica, flavored during fermentation with resin from the Aleppo pine. Produced on the northeast facing slopes of Mt. Parnes in Attica.

CHARACTERISTICS: A clear, pale to golden-yellow color. A delicate aroma of pine on the nose. Fresh and rich on the palate, the wine develops the characteristics of the Savatiano grape, with the development of a piney flavor at the back of the throat. A nicely balanced, delicately flavored retsina with a clean crisp finish.

FOOD PAIRINGS: All Greek cuisine appetizers, white meats; and fish, especially in the summertime and especially by the sea.

ALCOHOL: 11.50%
